## **Why BGCL be your No. 1 Choice? Because quality makes it distinct.....**

BGCL has excellent infrastructure of modern age of information technology for providing standard legal education of professional orientation and inculcating culture of hard work, honesty, dedication and discipline among law students. The salient features of the college are:-

- Dedicated, experienced and professionally qualified faculty.
- Modern classrooms equipped with latest teaching aids of information technology.
- Air conditioned library with internet facility and vast variety of latest law books, journals, manuals, reports and magazines.
- Computer Lab equipped with advance techniques especially for teaching cyber laws.
- Specialized Professional teaching approach of modern professional relevance with practical orientation.
- Regular classes for improving communication skills and special classes for weak students for making up their academic deficiency.
- Coaching classes for competitive judicial examination.
- Financial assistance for poor and meritorious students.
- Fully air conditioned Moot Court Hall ideal place for holding Moot Court competition, seminars, co-curricular activities and practical training programmes.
- Legal aid clinic for providing legal advice and help to the needy but poor persons for solving their legal problems.
- Regular visits to Supreme Court, High Court and District Courts.
- Personal interaction through tutorial and resolutions of problems by counseling.
- Placement cell for job opportunities in the final year of the course.
- Separate hostel equipped with modern facilities for boys and girls.
- Comfortable Bus Service within 100 Km. radius including Bus Service from college campus to Sangrur Bus Stand.
- Strict adherence of anti ragging measure by disciplinary committee.
